Review and results of operations

During the half-year ended 31 December 2020, the Fund continued to invest funds in accordance with target asset allocations as set out in the governing documents of the Fund and in accordance with the provisions of the Fund's Constitution.

The impacts of the COVID-19 pandemic on the Fund were disclosed in the Fund's financial report for the year ended 30 June 2020 and remain broadly unchanged at the date of this interim financial report. Despite the pandemic continuing throughout the period of this report, there have been no new adverse impacts on the Fund's financial results or risks arising from COVID-19 and the Fund's operations and service providers are operating efficiently and largely unaffected.

For the half-year ended 31 December 2020, the Fund paid total distributions of 2.46 cents per unit. This equates to an annualised net distribution yield of 2.29% and an annualised gross distribution yield of 3.26% inclusive of franking credits. Distribution yield is calculated based on the annualised distributions attributable to the 6 months ended 31 December 2020 relative to the Fund's closing listed unit price of \$2.15 as at 30 June 2020.

The performance of the Fund, as represented by the results of its operations, was as follows:

	31 December 2020	31 December 2019
	\$'000	\$'000
Profit before finance costs attributable to unitholders (\$'000)	8,683	2,119
Distributions paid and payable (\$'000)	840	1,763
Distributions (cents per unit - CPU)	2.457	5.774

Significant changes in the state of affairs

In the opinion of the Directors, there were no significant changes in the state of affairs of the Fund that occurred during the reporting period.

Events occurring after the reporting period

No other significant events have occurred since the end of the reporting period which would impact on the financial position of the Fund disclosed in the Interim Condensed Statement of Financial Position as at 31 December 2020 or on the results and cash flows of the Fund for the half-year ended on that date.

Rounding of amounts to the nearest thousand dollars

In accordance with *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* the amounts in the Directors' Report and in the interim condensed financial statements have been rounded to the nearest thousand dollars (\$000's).

Auditor's independence declaration

A copy of the auditor's independence declaration, as required under section 307C of the *Corporation Act 2001*, is set out on page 4. This report is made in accordance with a resolution of the Directors.

1 Basis of preparation of financial report

This general purpose financial report for the half-year ended 31 December 2020 has been prepared in accordance with the *Corporations Act 2001* and Australian Accounting Standard AASB 134 *Interim Financial Reporting*.

The interim financial report does not include all the notes of the type normally included in a set of annual financial statements. Accordingly, this report is to be read in conjunction with the annual financial statements for the year ended 30 June 2020 and any public announcements made in respect of Switzer Dividend Growth Fund during the reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The financial statements were authorised for issue by the Directors on 12 March 2021. The Directors of the Responsible Entity have the power to amend and reissue the financial statements.

The accounting policies adopted are consistent with those of the previous financial year and the corresponding interim reporting period.

Compliance with International Financial Reporting Standards

Compliance with AASB 134 ensures that the interim financial report of the Fund, comprising the financial statements and notes thereto, complies with International Accounting Standard IAS 34 *Interim Financial Reporting*.

New/Amended standards adopted by the Fund

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2020 that have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

Rounding of amounts to the nearest thousand dollars

In accordance with *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* the amounts in the Directors' Report and in the interim condensed financial statements have been rounded to the nearest thousand dollars (\$000's).

2 Net assets attributable to unitholders

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Movements in number of units and net assets attributable to unitholders during the half-year were as follows:

	31 December	31 December	31 December	31 December

Total financial assets at fair value through profit or loss	79,786	74,663

5 Fair value of assets and liabilities

Fair Value Hierarchy

The Fund is required to classify fair value measurements using a fair value hierarchy that reflects the subjectivity of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices); quoted prices for similar securities in active and/or inactive markets; market-corroborated inputs; inputs that are developed based on available market data and reflect assumptions that markets would use when pricing similar securities.
- Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes "observable" requires significant judgement by the Fund. The Fund considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

5 Fair value of assets and liabilities (continued)

Fair Value Hierarchy (continued)

The table below sets out the Fund's financial assets and liabilities (by class) measured at fair value according to the fair value hierarchy at the reporting date:

At 31 December 2020

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
Financial assets held at fair value through profit or loss:				
Listed equities	69,688	-	-	69,688
Listed unit trusts	3,673	-	-	3,673
Listed property trusts	6,425	-	-	6,425
Total financial assets	79,786	-	-	79,786

At 30 June 2020

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
Financial assets held at fair value through profit or loss:				
Listed equities	62,367	-	-	62,367
Listed unit trusts	5,225	-	-	5,225
Listed property trusts	7,071	-	-	7,071
Total financial assets	74,663	-	-	74,663

The pricing for the Fund's investments is generally sourced from independent pricing sources, the relevant Investment Managers or reliable brokers' quotes.

Investments whose values are based on quoted market prices in active markets, e.g.: recognised stock exchanges, and therefore classified within Level 1, include active listed equities and exchange traded derivatives.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within Level 2. The observable inputs include prices and/or those derived from prices.

Level 2 investments could include those that are not traded in active markets and/or subject to transfer restrictions (e.g.: redemption restrictions). Valuations for these investments may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information.

Level 3 instruments could include those that have stale price that is, where the pricing for a particular security has remained static for an extended period of time.

Level 3 valuations are reviewed quarterly by the relevant management. The management considers the appropriateness of the valuation inputs, methods and techniques used in the valuations. The valuation inputs are generally sourced from independent third party pricing sources without adjustment such as stock exchanges, pricing agencies and/or fund managers. Where the inputs are considered stale, unobservable, proprietary or from an inactive market, they are categorised as Level 3. Where a valuation model technique is used, the Fund considers other liquidity, credit and market risk factors, and adjusts the model as deemed necessary. There have been no changes to the valuation techniques used for financial instruments classified as Level 2 and 3.

There were no Level 2 and 3 instruments as at 31 December 2020 (30 June 2020: Nil).

There were no transfers between levels in the fair value hierarchy at the end of the reporting period.

8 Segment information

The Fund operates solely in the business of investment in companies listed on the Australian share market. Revenue, profit, net assets and other financial information reported to and monitored by the Chief Operating Decision Maker (**CODM**) for the single identified operating segment are the amounts reflected in the Interim Condensed Statement of Profit or Loss and Other Comprehensive Income, Interim Condensed Statement of Financial Position, Interim Condensed Statement of Changes in Equity and Interim Condensed Statement of Cash Flows. The CODM has been identified as the Responsible Entity.

9 Contingent assets, liabilities and commitments

There are no outstanding contingent assets, liabilities or commitments as at 31 December 2020 (30 June 2020: Nil).

10 Events occurring after the reporting period

No other significant events have occurred since the end of the reporting period which would impact on the financial position of the Fund disclosed in the Interim Condensed Statement of Financial Position as at 31 December 2020 or on the results and cash flows of the Fund for the half-year ended on that date.

Switzer Dividend Growth Fund

**Directors' Declaration
For the half-year ended 31 December 2020**

In accordance with a resolution of the Directors of Switzer Dividend Growth Fund (the **Fund**), I state that:

In the opinion of the Directors:

- (a) the interim financial statements and notes of the Fund are in accordance with the *Corporations Act 2001*, including:
 - (i) giving a true and fair view of the Fund's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
 - (ii) complying with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*; and
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable, and
- (c) the financial statements are in accordance with the Fund's Constitution.

Independent Auditor's Review Report to the Unitholders of Switzer Dividend Growth Fund

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Switzer Dividend Growth Fund (the Fund), which comprises the condensed statement of financial position as at 31 December 2020, the condensed statement of comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of the Fund is not in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Fund's financial position as at 31 December 2020 and of its financial performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Directors' Responsibility for the Half-Year Financial Report

The directors of Switzer Asset Management Ltd ("the Responsible Entity") are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal controls as the directors determine are necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Fund's financial position as at 31 December 2019 and its financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Fund, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of

all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
