5. Fair value of assets and liabilities

Fair value hierarchy

The Fund is required to classify fair value measurements using a fair value hierarchy that reflects the subjectivity of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices); quoted prices for similar securities in active and/or inactive markets; market corroborated inputs; inputs that are developed based on available market data and reflect assumptions that markets would use when pricing similar securities.
- Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The Fund held \$378,664,000 Level 1 financial assets as at 31 December 2024 (30 June 2024: \$345,338,000). There were no Level 2 and 3 instruments as at 31 December 2024 (30 June 2024: Nil). For all other financial assets and liabilities, the carrying value is an approximation of fair value, including cash and cash equivalents, trade and other receivables and trade and other payables due to their short-term nature.

The table below sets out the Fund's financial assets and liabilities measured at fair value according to the fair value hierarchy at the reporting date.

All fair value measurements disclosed are recurring fair value measurements.

INDEPENDENT AUDITORS REVIEW REPORT TO THE MEMBERS OF WCM QUALITY GLOBAL GROWTH FUND (QUOTED MANAGED FUND)

Report on the Interim Financial Report

Conclusion

We have reviewed the interim financial report of WCM Quality Global Growth Fund (Quoted Managed Fund) (the Fund) which comprises the interim condensed statement of financial position as at 31 December 2024, the interim condensed statement of profit or loss and other comprehensive income, interim condensed statement of changes in equity and interim condensed statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying interim financial report of the Fund does not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 31 December 2024 and of its performance for the half-year ended on that date, and
- complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the Directors of the Responsible Entity for the Financial Report

The directors of the Responsible Entity are responsible for the preparation of the interim financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the interim financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the interim financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
